

Who WE ARE

Institute of Biblical Interpretation is a part of Blessing Global Assembly of God Church and a place where you as a follower of Jesus are challenged to deepen and broaden your commitment to God. We offer courses dealing with all facets of Ministry, Counselling and Worship. We endeavour to teach students how to recognize the call of God in their lives. As a student you will study, pray, debate, laugh, cry and grow with us, your faith family, as we spur one another on to a greater obedience to God.

Our VISION

“EQUIPPING MEN & WOMEN
TO ESTABLISH CHURCHES”

Why WE EXIST

IBI equips, trains and releases faithful, able men and women into the nation of India and other nations, to impact villages, towns, cities and nations for Jesus Christ.

Our purpose is to provide a God-focused and Bible-centered environment with a strong emphasis on spiritual life, prayer, evangelism and other basic aspects of discipleship. We help establish a spiritual foundation and then equip students to apply the principles of God's Word in their lives and ministry.

Our Institute is a place where students are exposed to the gifts and workings of the Holy Spirit, and obtain knowledge in sound biblical doctrines and theology. It is a unique practical learning environment in a multi-cultural/ethnic setting.

How WE EQUIP

We offer a good balance of both Biblical and Practical subjects. Lectures are given by college faculty and Visiting speakers. Personal study, reading, workshops, regular tests and exams complement the material presented in the lectures. We also believe in supernatural impartation through association with anointed ministers. IBI emphasizes the love of God in demonstration, the anointing and presence of the Holy Spirit and the Supernatural work of God.

Practical Ministry:

All Students are required to be involved in field work and practical ministry during all semesters.

Library Resources:

All students will have access to IBI's Resource Centre which contains reference books and study guides, Christian literatures and other digital resources.
